Sir:

Please find attached a proposed Certificate of Correction.

Please correct the following errors appearing in the printed patent which are apparently the fault of the U.S. Patent and Trademark Office, as per the attached Certificate of Correction. Since the errors are the fault of the USPTO, no fee is due.

At column 19, line 3 (claim 15 line 15) of the printed patent after “crispy” should be inserted ---, chip-like texture---. This appears correctly in claim 15, line 13 of the amendment under 37 C.F.R. §1.112 filed on July 16, 2007.

Therefore, it is respectfully requested that a Certificate of Correction issue in the above identified patent as follows:

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed number.

Respectfully submitted,
